TO: All PY'02 WIA Grantees

SUBJECT: Updated Family Income Guidelines and WIA Self-Sufficiency Guidelines for South Carolina

ISSUANCE DATE: June 16, 2003

EFFECTIVE DATE: June 11, 2003

EXPIRATION DATE: Indefinite

Attached are the Family Income Guidelines for South Carolina effective June 11, 2003. The guidelines incorporate the latest 70% Lower Living Standard Income Level (LLSIL) from the U.S. Department of Health and Human Services. The figure for a particular family size is the maximum household income the individual is permitted in order to qualify as low income under WIA. This issuance supersedes all previously issued Family Guidelines.

The 2003 100% Lower Living Standard Income Level (LLSIL) is also attached. The 100% LLSIL guidelines are used to determine the minimum level for establishing criteria to set self-sufficiency for employed adults and dislocated workers. Please see the Local Area Procedures section of the SCVOS Procedures Manual for the LLSIL Self-Sufficiency Guidelines used by your local area.

Please replace pages 9 (WIA Family Income Guidelines) and 11 (WIA Self-Sufficiency Guidelines) of the SC Virtual One-Stop Procedures Manual. Make additional copies and distribute within your agency as necessary.
